

Fellowship of Extreme Wilderness Medicine Fellow Sample Application

1. What is your primary professional qualification and graduation year?

2. Please give at least two examples of where you have either directly provided or been involved in the provision of medical care to participants in an extreme environment. Describe what happened and what role you played. Explain how you demonstrated good judgement, sensible decision making and aptitude in this role.

3. What contributions have you made to improve broader clinical care in the domain of extreme and wilderness medicine? Examples might be quality improvement, setting up or redesigning a service or care pathway, capacity building work, risk management and engaging with audit or research.

Fellowship of Extreme Wilderness Medicine

Fellow Sample Application

4. Please list research or articles in which you are a named author that have been published by reputable sources in the domain of extreme or wilderness medicine. Both print and online are accepted. Please include links to online content where possible. Please supply at least two examples.

5. How have you contributed to postgraduate education in extreme and wilderness medicine? Please give examples of teaching sessions you have delivered either in your local trust/hospital/clinical team OR on a recognised courses or relevant conference. Please describe what you taught, how you taught it, who the learners were and and what impact your teaching had on those learners.
